Voter Services gave an update on upcoming events, one of which was the Early Voters Roundup Community Festival, to be held on Saturday, November 5<sup>th</sup> at Simpson Park Field and hosted by Delta Sigma Theta and LWV Voter Services will be present to register voters and discuss redistricting. A request to use /distribute the gift cards purchased with funds from the Redistricting Grant was discussed. Given that fliers about redistricting and a speaker would be explaining redistricting, it was determined that the gift cards could be used at this event. Photos and a brief summary of the event will be given to Jessie Gomez so that it can be turned over to LWV State as proof of usage of the Gift Cards.
